ABOUT AGRIFUTURE INDIA

AgriFuture India is a premier Bengaluru-based manufacturer and direct distributor of dairy and modern livestock farming equipment. We supply high-yield dairy automation, silage preservation systems, chaff cutters, heavy-duty interlocking cow mats, and slatted goat/sheep flooring directly from factory to farmers across all Indian states with full warranty & installation guidance.

KEY PRODUCT CATEGORIES & SPECIFICATIONS

1. Silage Bags & Preservation Systems

Capacity: 50 kg to 5 Ton capacity | UV-Stabilized airtight films (100-150 microns)

Preserve green fodder year-round with zero nutrient loss. Retains moisture, aroma, and protein. Includes 50kg, 100kg, 500kg, 1000kg, 2-Ton, 3-Ton, and 5-Ton bags, Silage bunker top covers & inoculants.

2. Professional Milking Machines

Models: Single Bucket to 3-in-1 models | Portable trolley & fixed monoblock units

Precision pulsation reduces milking time and prevents udder infections/mastitis. Suitable for herds of 2 cows up to commercial 100+ dairy herds with oil-free or oil-lubricated vacuum pumps.

3. High-Performance Chaff Cutters

Models: 2 HP, 3 HP & 5 HP models, Gokul models | Electric & Manual options

Heavy-duty steel blades for uniform chopping of green and dry fodder (maize, jowar, napier grass, straw). Reduces fodder wastage by over 30% and improves animal intake.

4. Dairy & Shed Flooring Solutions

Cow Mats: 17-23 mm thickness, interlocking design | Goat Slats: 2x1 ft & 2x2 ft, 45/70 mm, PPCP/HDPE

Anti-skid textured virgin rubber cow mats for joint comfort and slip prevention. Elevated interlocking plastic slatted panels for hygienic, dry, self-draining goat and sheep pens.

5. Farm Accessories & Livestock Care

Automatic water bowls (2.5L / 5L / SS), feeding bottles, nipple drinkers, sprayers & fogger kits

Full range of livestock drinking solutions, milk cans, vacuum regulators, pulsators, and cooling systems.
